Dear Parishioners,

Over the past years, Cambridge School has been renting the school building at St. Charles. The positive relationship between St. Charles and the Cambridge School has been truly a blessing for both communities.

Earlier this year, Cambridge School submitted a bid on a property on N. Charles St., the former location of Brown Memorial Church, Woodbrook. Successfully winning the bid, and after the period of due diligence, Cambridge School informed us today that they will be going to settlement on that property at the end of August 2018. If the needed renovations on that property can be completed by December 2018, Cambridge School will move to N. Charles St. during the upcoming Christmas vacation. If not ready, Cambridge will remain on our premises until the end of the 2018 -2019 academic year.

Cambridge School has completed the first year of a three-year lease extension with St. Charles and will remain under contract with St. Charles through 2020.

We are obviously disappointed that Cambridge will be moving. However, we will now be exploring other alternatives for the future use of our building.

Thank you for holding our parish and its future in prayer as we seek to afford our church community the educational spaces, fellowship opportunities, and parking that are all needed. Your thoughtfulness and constructive input will be most deeply appreciated.

Sincerely yours in Christ,

Rev. Msgr. Lloyd E. Aiken
