Dear Parishioners,

In the Fall of 2018, I began feeling poorly. I went to my primary care doctor who felt that this was a case of acid reflux. I received a prescription which seemed to help. However, the situation persisted and so I went more recently to have further testing done.

Two weeks ago, I received a diagnosis of stomach cancer.

I am scheduled to begin my treatment next week, which will entail several months of chemotherapy followed then by surgery.

May I ask for your prayers during this challenging time. During this time, I hope to be able to continue my service to you and to St. Charles Parish as I am able.

May we continue to walk our journey of faith together, and may the Lord continue to be for us the Good Shepherd.

Sincerely yours in His love,
