

CELEBRATE THE TRINITY WITH PRAYERFUL EXPLORATION OF THIS ICON

Andrei Rublev, Russian, 1425

Reflecting with Art

To engage with a Mystery like the Trinity, art can be more helpful than words

- Icons were important in Medieval Russian devotion. The monk Rublev was recognized as a master of the form and has been canonized by the Russian Orthodox Church.
- Chris Welch will lead this session
- Your handout will include a copy of the icon with helpful background, observations, some suggested interpretations, and a prayer by St. Francis
- If you enjoy this event, please ask for more reflections on religious art!
