

PRAYER FOR THE DECEASED IN MY LIFE

Lord,
You wrap even death
in the all embracing folds of Your eternal Life

and so I pause to remember...

...those whom I've loved
who through death's gate
have been gathered
into Your Greatness

I pause to remember...

...the words spoken and shared
echoing in my memory
treasured in my heart

I pause to remember...

...times of togetherness
things done and undone
and moments of

I pause to remember...

...how these wondrous seeds
blossom in my life
to my delight
and the beauty of the world

I pause to say...

...may this remembering
bring delight to those remembered
and my gratitude to You...amen.
