

Basket Raffle is Back

The Basket Raffle is always a big hit, but we have not had one in a while, so this year we will have a stand-alone raffle for Advent. Baskets will be on display in the rectory and tickets will be sold after Masses the first two weekends in December (we need volunteers!). We want a broad array of baskets to entice everyone to participate. If you would like to do a whole basket, please let us know the theme by November 1. It can be anything that you want or we can make suggestions (Wine Lover, Spa, Christmas etc). However.....

You do not need to sponsor a whole basket!

While we have many generous and creative parishioners who like to donate a whole basket, and we thank them, anyone can participate by just donating an item or two. Can you donate a package of crackers or corn chips?--they are perfect for a party basket (or two). By gathering together items from many people, we can make some impressive baskets. The specific item does not matter, just that it can fit under one of the areas below.
